

REMARKS

Claims 19-24, 26, and 28-34 will be pending in the Application if the Examiner enters the forgoing amendment.

By this proposed amendment, Application proposes to correct an obvious typographical omission in claim 29 and cancel claims 35-40 and 42-46 without prejudice or disclaimer. Applicant may pursue the subject matter of these cancelled claims in a continuation application.

Applicant respectfully requests that the amendment be entered, because it simplifies the issues for the pending Appeal to the Board of Patent Appeals and Interferences.

If there are any other fees required for entry of this amendment, or for any other reason, please charge such fees to the undersigned attorney's Deposit Account No. 10-0077.

If the Examiner has any questions about this amendment, applicant's representative would appreciate discussing this amendment with the Examiner. Applicant's representative, Jerome Jackson, can be reached at 703-684-4840.

Respectfully submitted,

*Jerome D. Jackson*
